(from 1<sup>st</sup> to 30 June 2019)**

1. Purpose: The purpose of the annual open enrolment period is to give staff members who have not been able to join the Society within the statutory time-limit an opportunity to do so. This year, the open enrolment period will be from 1<sup>st</sup> to 30 June 2019 inclusive. Staff members and their immediate family (including children between the ages of 21 and 29 years inclusive who are unmarried and who are continuing their studies, or are not in regular employment and persons who are secondary dependants within the meaning of the Staff Rules, i.e, father, mother, brother or sister), may join the Society by applying for admission within the open enrolment period.

2. Staff members who are on mission or otherwise officially absent during the open enrolment period may submit applications for themselves or members of their family on their return to duty. Such applications will only be considered if submitted within 31 days following the staff member's return to duty. They must be accompanied by a covering note from the staff member's Chief certifying his or her absence and its duration.

3. Conditions for admission: Any staff member holding a permanent, continuing, indefinite, probationary or fixed-term appointment may apply for coverage for himself or herself and family members. Staff members holding a temporary contract may find the conditions for admission in rule III (Membership) of the Society's Internal Rules. According to the Statutes and Internal Rules of the Mutual Insurance, the enrolment period does not concern retired staff members nor their family.

4. Application forms can be obtained in room S-035 at the Client Support Centre, Palais des Nations, tel. 022 917 99 99 or from the Human Resources Management Service of WMO, UNDP, UNICEF, UNHCR, UNV and UNCCD.
